VIRTUAL EVENTS & EXPERIENCES

01 INTRODUCTION

We are proud to present a range of bespoke events and experiences created within the home of BAFTA.

Whilst traditional events and celebrations are not possible at the current time, we continue to devise exciting and entertaining solutions for you, your colleagues, friends and family; sharing all that is great and good about BAFTA Piccadilly.

In addition to a series of imaginatively curated masterclasses, we are delighted to be able to offer you the exclusive opportunity to hold live and interactive virtual events broadcast directly from BAFTA's headquarters in Piccadilly, straight to screens at home or offices.

Designed for groups of 25 to 300+, this is a truly unique way to create both lasting memories and high engagement in a fun and entertaining manner.

Hosted by the expert team who each year devise and prepare the food and drinks for the EE British Academy Film Awards and deliver a multitude of gold standards events, these live and interactive experiences will bring you a taste of BAFTA and a little of that red carpet magic.

With a variety of events available, all of which are produced in-house, we can tailor and adapt our offer to meet your requirements, including hosting your 2020 Christmas parties.
