

Unique Venues of London launches website revamp

Abur
Unique Venues of London (UVL) will unveil its new website in January showcasing its collection of 63 specialist venues.

Improved navigation means buyers will now be able to search venues by capacity. The venues range from small and intimate, such as Wellington Arch and the Leighton House Museum, to the Natural History Museum and The Royal Opera House.

Other features include an electronic newsletter with UVL updates, details of event suppliers such as caterers and production companies, and a job section allowing members to advertise vacancies.
