**Crown Society  
caters for UVL  
preview party**

Crown Society Special Event Caterers undertook the catering for Unique Venues of London's (UVL) Client Party at Middle Temple Hall on 2 October.

Crown Society worked with Daniel Clifford, chef patron of its sister company Midsummer House.

"The event was a fantastic opportunity for guests to preview the 63 UVL venues," said Charlotte Reeves, UVL chairman and director of corporate relations at Somerset House. "The party will continue to be a fixture in the annual events calendar."
