Unique Venues of London (UVL) will be showcasing the cream of capital's venues at Square Meal's Venues and Events Exhibition at Old Billingsgate, London, on 20 and 21 September 2006.

UVL is made up of a select group of 63 spectacular and unusual venues, reflecting London's spirit, tradition and cosmopolitan nature.

Over the two days there will be UVL members on hand to demonstrate just how much London has to offer the hospitality and corporate events sector, including the Royal Opera House, Spencer House, Somerset House, Wallace Collection and Kew Bridge Steam Museum.

UVL will be one of many organisations displaying their venue wares at the event, making it a great way for companies to check out new and unusual locations and destinations for their corporate events.
